BOWEL CANCER AWARENESS TALK

FRIDAY 21ST SEPTEMBER

Time: **10.30 am - 12.30 pm**
Ment House, 1C Mentmore Terrace, London E8 3DQ

- **How bowel cancer develops**
- **The stages of development, signs and symptoms**
- **How to reduce the risk**
- **The screening programme and more**

**Community
African
Network**

Join us to learn more about bowel cancer and how it develops.

9 out of 10 people survive early stage bowel cancer if spotted early.

The session will be highly interactive and you are free to ask lots of questions.

**Carers are
the bedrock**
